AUGUST 2018

## THE NEW SCHOOL YEAR IS NOW UNDERWAY!

We had a great first week. We made our place-mats to begin recognizing our name in print. We painted with balloons and made vertical lines. We "wrote" our first journal page "What makes me special." We are learning the names of our body parts. We made our first birthday cake to celebrate Javier's Birthday. We went to church for the first time. The students learned how special God's house is and how special they are. Thank You Brother Jude for a wonderful first church experience.

Yours in Christ,  
"Miss" Pam

## OUR STAFF

I would like to introduce our great staff. Miss Christina is our Front Office, Before & After Care Coordinator. Miss Guille is my Teacher's Assistant. Miss Marlys and Miss Kathryn are our After Care supervisors.

## ALPHABET FOOD DRIVE

As we're learning about taking care of each other and God's people, along with the Alphabet. We are asking families to send in non perishable food, hygiene related items, as well as pet related items with their student. This Drive will go through the school year as we go through the alphabet. From now to August 31st is the letter "A", Suggestions (Apple Sauce, Asparagus, Apricots, Apple Jacks, Aunt Jemima etc.) September will start with letter "B". All items will be turned into local community programs.
